## [ Lunch & Dinner Menu ]

Here at the Swamp Water Café we offer a wide variety of food from cultural cuisine, American favorites, healthy options to exotic. Founded in 1993 along with Billie Swamp Safari to offer Florida's tourism exposure to the Seminole culture and cuisine. Way out here, off the beaten path, you will experience the everglades and Seminole culture as close to the days long ago, that is now only a memory to most. We invite you to try something a little different.

Thank you (Sho-na-bish).
